

Presidents Charity 2022 -23

Step By Step, Aldershot

For the President's charity this year, I have chosen the Aldershot based charity, Step by Step.

Step by Step is a charity that supports local young people in the 11 to 25 age range who are desperate and going through hard times. It provides a unique combination of accommodation and support services to help young people through their problems, identify their aspirations and work towards a brighter future.

Whilst Step by Step can provide accommodation, the support they offer also includes one-to-one mentoring, life skills training, mental health counselling and personal development opportunities.

Step by Step operates in six counties across the South of England and supported more than 1,600 young people last year. You can find out more from the Charity's website <https://www.stepbystep.org.uk/>.

May I thank you in advance for your support in our Circle's fundraising efforts throughout the forthcoming year.

Tony
